

Child Safety Information

St. Kilian Religious Education Staff and Volunteers are dedicated to providing a safe and faith-filled environment for all children who attend our program. With this in mind, all of our volunteers 18 years and older are fingerprinted, background checked and regularly complete an online Safety Training program. Our policy requires there to always be at least 3 people in a group when children are present and adults are never alone with a child. Yearly, all children in our RE program receive the Diocesan supported and mandated program "Circle of Grace" that contributes to their protection and affirms them as children of God. This program helps children and young people to understand their own (and other's) dignity in mind, body and spirit. Parents are sent information regarding this program. More information can be found on our website:
